Warangal, Telangana

CAREER OBJECTIVE

A passionate Computer Science graduate seeking an entry-level role where I can utilize my programming, automation, and problem-solving skills to contribute to organizational growth while continuously learning new technologies.

TECHNICAL SKILLS

Programming Languages	Java, Python, C, SQL
Version Control	Git, GitHub
Automation Tools	Selenium WebDriver
Web Technologies	HTML , CSS

INTERNSHIP EXPERIENCE

Salesforce Internship (8 Weeks)

Internship focused on Salesforce CRM tools and cloud-based applications.

- Completed an 8-week Salesforce CRM internship focused on cloud-based application concepts and business workflows.
- Performed data management and automated business workflows using Salesforce tools for multiple CRM tasks.
- Improved communication and teamwork skills in a professional environment.

ACADEMIC PROJECTS

Project Title 1: Web Scraping Using Python

📅 01/2023 - 02/2023

Created a Python-driven web scraping tool for structured data collection.

- Systematized extraction of data from dynamic websites for structured storage and analysis using Python and Selenium.
- Computerized browser interactions such as form filling, navigation, and data capture.
- Scraped and compared product prices across 3 e-commerce websites for comparative analysis.
- Stored extracted data into CSV/Excel format and created 2 analytical charts/graphs to visualize price differences.

Project Title 2: Task Offloading and Resource Allocation in UAV Systems

📅 01/2023 - 03/2023

UAV-Assisted emergency response project using reinforcement learning

- Developed a UAV-Assisted emergency response system using the Soft Actor-Critic (SAC) algorithm.
- Implemented the SAC reinforcement learning model to enable intelligent task offloading decisions.
- Optimized resource allocation to minimize processing delay and energy consumption.
- Evaluated system performance with metrics such as latency, task completion rate, and resource utilization, generating performance visualizations and analytical reports.

EDUCATIONAL QUALIFICATIONS

B.Tech (Computer Science)	4th Year – 7.5 CGPA – Sumathi Reddy Institute of Technology for Women
Intermediate	85% – SR Junior College
SSC	10 GPA – Tejaswi Educational Institutions

SOFT SKILLS

1. Communication Skills
2. Teamwork and Collaboration
3. Problem-Solving Ability
4. Quick Learner

DECLARATION

I hereby declare that the above information is true to the best of my knowledge.
